The NCLEX Nursing exam is a challenging but essential step in becoming a registered nurse. With 105 Nursing Practice Questions Rationales, you can be confident that you're prepared to pass the exam and start your nursing career.

This book contains 105 practice questions that cover all of the major topics on the NCLEX Nursing exam. Each question is followed by a detailed rationale that explains why the correct answer is correct and why the other answers are incorrect.

In addition to the practice questions, this book also includes:

- A comprehensive overview of the NCLEX Nursing exam
- Tips on how to prepare for the exam
- A glossary of nursing terms

With 105 Nursing Practice Questions Rationales, you can be confident that you're prepared to pass the NCLEX Nursing exam and start your nursing career with confidence.

Benefits of Using 105 Nursing Practice Questions Rationales

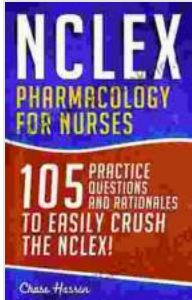

- **Improved understanding of NCLEX Nursing exam content:** The practice questions in this book cover all of the major topics on the exam, so you can be sure that you're well-prepared for anything that comes your way.
- **Increased confidence on test day:** Taking practice questions can help you build confidence in your ability to pass the NCLEX Nursing exam. The more practice you get, the more comfortable you'll feel on test day.
- **Identification of areas where you need more study:** The rationales for each question explain why the correct answer is correct and why the other answers are incorrect. This can help you identify areas where you need more study.
- **Improved critical thinking skills:** The NCLEX Nursing exam requires you to use critical thinking skills to answer questions. Taking practice questions can help you develop these skills so that you can perform your best on test day.

Who Should Use 105 Nursing Practice Questions Rationales?

This book is ideal for nursing students who are preparing for the NCLEX Nursing exam. It can also be used by nurses who are looking to refresh their knowledge or prepare for a certification exam.
