This is the story of Mayowa Ogunniyi, a young woman who grew up in the projects in Newark, New Jersey. Despite the challenges she faced, Mayowa was determined to succeed. She worked hard in school and eventually earned a scholarship to attend Phillips Academy, a prestigious prep school in Massachusetts.

At Phillips Academy, Mayowa faced new challenges. She was the only black girl in her class, and she often felt like an outsider. But she refused to give up. She continued to work hard and eventually became one of the top students in her class.

Mayowa's story is an inspiration to us all. It shows us that anything is possible if we dare to dream big and never give up.
