The book is divided into six chapters, each of which focuses on a different period in the history of art. The chapters are:

- **Prehistory:** From the earliest cave paintings to the dawn of civilization
- **The Ancient World:** From the art of ancient Egypt, Mesopotamia, and Greece to the Roman Empire
- **The Middle Ages:** From the early Christian era to the Renaissance

- **The Renaissance and Baroque:** From the Italian Renaissance to the Baroque period in Europe
- **The 19th and 20th Centuries:** From the Neoclassical period to the rise of modern art
- **The 21st Century:** From the contemporary art world to the future of art

Each chapter is written by a different expert in the field, and is packed with fascinating information and insights. The book is also beautifully illustrated with over 200 full-color images, making it a joy to read and browse.

Whether you're a seasoned art lover or just starting to explore the world of art, *Little Histories of Art* is the perfect book for you. It's a beautifully written and engagingly illustrated journey through the history of art that will leave you with a deeper understanding and appreciation of this fascinating subject.
