Led by a former Marine named John Riley, the group includes a diverse cast of characters: a doctor, a teacher, a mechanic, and a homeless man. Despite their differences, they are united by a common goal: to liberate Seattle from the Red Army.

The group faces overwhelming odds. The Red Army is well-equipped and has air superiority. But Riley and his comrades are resourceful and determined. They use their knowledge of the city to launch a series of guerrilla attacks against the invaders.

As the fighting intensifies, the group's bond grows stronger. They learn to rely on each other for support and courage. They also discover that they are not alone. Other groups of resistance fighters are emerging throughout the city.

Together, the resistance fighters begin to turn the tide against the Red Army. They liberate neighborhoods, one by one, and rally the support of the people of Seattle. The city becomes a symbol of hope and resistance for the entire world.
