Authors Christiana Peterson and Matthew Bernstein draw on their own experiences as parents of gender-creative children, as well as their research in the field of gender development, to provide parents with the tools and information they need to support their children's gender journeys.

The book covers a wide range of topics, including:

- Understanding gender development and gender identity

- Talking to your child about gender
- Supporting your child's gender expression
- Advocating for your child in school and other settings
- Creating a supportive and inclusive home environment

Parenting Beyond Pink & Blue is an essential resource for parents of gender-creative children. It provides parents with the knowledge and tools they need to support their children's gender journeys and help them thrive in a world that often tries to force them into traditional gender roles.
