Private Family Matter is a powerful and moving memoir that tells the story of one family's experiences with mental illness, addiction, and abuse.

The author, who writes under the pseudonym **Sarah Grey**, shares her own experiences as well as those of her parents, siblings, and extended family members. She writes with raw honesty about the challenges her family faced, including her father's bipolar disorder, her mother's alcoholism, and her brother's addiction to drugs.

Despite the challenges they faced, the Grey family never gave up on each other. They supported each other through good times and bad, and they always put their love and commitment to each other first.

Private Family Matter is a story of hope, strength, and the enduring power of love. It is a story that will resonate with anyone who has ever struggled

with mental illness, addiction, or abuse.
