Meet an Unforgettable Cast

At the heart of this enchanting tale lies Elara, a young woman brimming with courage and determination. With a heart filled with dreams and a spirit that refuses to be broken, she sets out on a quest that will shape her destiny forever.

Rian: The Enigmatic Sorcerer

TALES FROM SILVER LANDS

A TALK OF THREE TAILS

DOWN in Honduras there is a town called Pueblo de Chamelecón which is not much of a town after all. There is only one street in it, and the houses are like big beehives that have been squared up, and the roofs are of straw. There is no sidewalk, no roadway, and the houses are unfenced, so that you step from the room into the sandy street and, because of the heat, when you are inside you wish that you were out, and when you are outside you wish that you were in. So the children of the place spend much time down at the little river. At least they did when I was there.

I rode there on a donkey and, the day being hot, let the animal graze, or sleep, or think, or dream, or work out problems—or whatever it is that a donkey does with his spare time—and I watched the children in the water. There was one, a little baby just able to toddle around, who crawled down to the water's edge, rolled in and swam about.

Along her path, Elara encounters Rian, a enigmatic sorcerer who possesses arcane knowledge and secrets that have been concealed for centuries. His enigmatic nature and unpredictable powers add an element of mystery and danger to her journey.
