Elmer the elephant is different from all the other elephants. He doesn't like to play in the mud or eat peanuts. He would rather spend his time painting pictures and dreaming of becoming the Easter Bunny.

One day, Elmer decides to run away from home and follow his dream. He travels far and wide, meeting all sorts of interesting characters along the way. But no matter where he goes, Elmer never gives up on his dream of becoming the Easter Bunny.

Finally, Elmer reaches the North Pole, where he meets Santa Claus. Santa Claus tells Elmer that he can't become the Easter Bunny because he's an elephant. But Elmer doesn't give up. He tells Santa Claus that he doesn't care what he looks like, he just wants to bring joy to children on Easter morning.

Santa Claus is so impressed by Elmer's determination that he decides to make him the Easter Bunny. Elmer is overjoyed, and he sets off to deliver Easter eggs to all the children in the world.

The Elephant That Wanted To Be The Easter Bunny is a charming and heartwarming children's book that teaches the importance of self-acceptance and following your dreams. The story is beautifully illustrated and full of humor and heart. It's a perfect book for children of all ages.
