

The Lion and the Unicorn: Ark Royal 15

By Ian W. Toll

The Lion and the Unicorn: Ark Royal 15 is a detailed and engaging account of the history of the British aircraft carrier Ark Royal. From her construction in the late 1930s to her sinking in 1941, Ark Royal played a vital role in the Royal Navy's efforts during World War II. This book tells the story of her crew, her missions, and her ultimate fate.

Toll, a renowned naval historian, has written a comprehensive and well-researched account of Ark Royal's history. He draws on a variety of sources, including interviews with survivors, official documents, and private papers. The result is a book that is both informative and engaging.

The Lion and the Unicorn begins with the construction of Ark Royal in the late 1930s. Toll provides a detailed account of the ship's design and

construction, as well as the challenges faced by her builders. He also introduces the ship's crew, a diverse group of men from all walks of life.

The book then follows Ark Royal through her early years of service. The ship participated in a number of important operations, including the Norwegian Campaign and the Battle of Taranto. Toll provides a vivid account of these operations, and he brings the ship's crew to life through their own words.

In 1941, Ark Royal was sunk by a German U-boat. The book concludes with a detailed account of the ship's sinking and the aftermath. Toll also discusses the legacy of Ark Royal, and he argues that she was one of the most important ships in the Royal Navy's history.

The Lion and the Unicorn is a must-read for anyone interested in naval history or World War II. Toll has written a comprehensive and engaging account of Ark Royal's history, and he has brought the ship's crew to life through their own words. This book is a valuable addition to the literature on naval history.

Reviews

"The Lion and the Unicorn is a superb account of one of the most important ships in the Royal Navy's history. Ian W. Toll has written a comprehensive and engaging book that is both informative and moving. This is a must-read for anyone interested in naval history or World War II." - Andrew Roberts, author of Churchill: Walking with Destiny

"The Lion and the Unicorn is a masterful work of naval history. Ian W. Toll has written a gripping account of Ark Royal's history, and he has brought

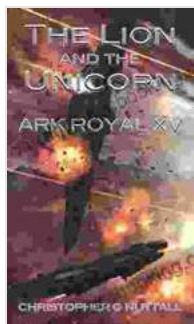

the ship's crew to life through their own words. This book is a must-read for anyone interested in naval history or World War II." - Richard Overy, author of The Bomb: The History of Nuclear Weapons
