

# Total Eclipse: The Philanthropist Savages Treats Faber Contemporary Classics

**Total Eclipse** is a powerful and moving novel about the devastating effects of war on individuals and families. It is a story of love, loss, and redemption that will stay with you long after you finish reading it.

The novel is set in the aftermath of the American Civil War. The protagonist, John, is a young man who has lost everything in the war: his family, his home, and his future. He is adrift and alone, until he meets a group of fellow veterans who are also struggling to find their way in the postwar world.

## Christopher Hampton Plays 1: Total Eclipse; The Philanthropist; Savages; Treats (Faber Contemporary Classics) by Christopher Hampton

Together, John and his newfound friends form a makeshift family. They share their food, their shelter, and their stories. They support each other through the difficult times, and they celebrate the good times together.

But their newfound happiness is short-lived. The war has left its mark on them all, and they are haunted by the memories of what they have seen and done. They are also struggling to find their place in a world that has changed dramatically since they left it.

***Total Eclipse*** is a beautifully written and deeply moving novel. It is a story of love, loss, and redemption that will stay with you long after you finish reading it.

### **About the Author**
