

Treasured: How Tutankhamun Shaped a Century

In 1922, the world was captivated by the discovery of Tutankhamun's tomb. The young pharaoh's intact burial chamber and its treasures provided an unprecedented glimpse into ancient Egyptian civilization. The discovery had a profound impact on the 20th century, influencing everything from fashion to film to archaeology.

This book explores the many ways in which Tutankhamun shaped the 20th century. It begins with a look at the discovery of the tomb and the public's fascination with its treasures. The book then examines the impact of Tutankhamun on fashion, with a focus on the "Egyptomania" craze that swept the world in the 1920s. The book also explores the influence of Tutankhamun on film, with a discussion of the many movies that have featured the young pharaoh. Finally, the book looks at the impact of

Tutankhamun on archaeology, with a focus on the new techniques and methods that were developed in the wake of the tomb's discovery.

Treasured: How Tutankhamun Shaped a Century is a fascinating and informative look at the impact of one of the most important archaeological discoveries of all time. The book is lavishly illustrated with photographs of Tutankhamun's treasures, as well as images of the fashion, film, and archaeological artifacts that were influenced by the discovery. The book is a must-read for anyone interested in Tutankhamun, ancient Egypt, or the history of the 20th century.
