Ugly's Electrical References is the industry's most trusted source for electrical codes and standards. This 2024 edition has been completely updated to reflect the latest changes to the NEC and other electrical codes.

With over 1,000 pages of information, Ugly's is the only book you need for all your electrical reference needs.

What's New in the 2024 Edition

- Updated to reflect the latest changes to the NEC
- New chapters on arc flash and renewable energy
- Expanded coverage of electrical safety
- Hundreds of new illustrations and diagrams

Why Choose Ugly's Electrical References?

- **The most comprehensive electrical reference book available** - Ugly's covers all aspects of electrical codes and standards, from basic wiring to complex industrial systems.
- **Updated annually** - Ugly's is the only electrical reference book that is updated every year, so you can be sure you're using the most up-to-date information.
- **Written by experts** - Ugly's is written by a team of experienced electrical professionals, so you can be sure the information is accurate and reliable.
- **Easy to use** - Ugly's is organized in a logical and easy-to-use format, so you can quickly find the information you need.
- **Affordable** - Ugly's is priced affordably, so it's a great value for your money.
