Deductions

Are you taking advantage?

Tax credits provide a dollar-for-dollar reduction of your income tax liability. This means that a \$1,000 tax credit saves you \$1,000 in taxes.

There are two types of Credits:

- Refundable Credits
- Nonrefundable Credits

Tax deductions lower your taxable income, and they are calculated using the percentage of your marginal tax bracket.

There are two main types of Deductions:

- Standard Deduction
- Itemized Deduction
