Parent-child alienation occurs when one parent turns a child against the other parent. This can be done through a variety of methods, such as:

- Making negative comments about the other parent
- Preventing the child from seeing the other parent
- Encouraging the child to lie about the other parent
- Threatening the child if they try to contact the other parent

Parent-child alienation can be very difficult to deal with. It can be isolating and frustrating, and it can make it feel like you're losing your child.

However, there is hope. There are things you can do to overcome parent-child alienation and rebuild your relationship with your child.

In this book, you will learn about:

- The signs and symptoms of parent-child alienation
- The causes of parent-child alienation
- The effects of parent-child alienation
- The strategies for overcoming parent-child alienation

This book is a valuable resource for parents who are experiencing parent-child alienation. It provides information and support, and it can help you to take the steps necessary to rebuild your relationship with your child.
